

ROTATOR CUFF - FAILED CUFF REPAIRS - TENDON TRANSFER - FRACTURES

07:00 **Coffee - Exhibits**

| | |
|--|--|
| I- PARTIAL & SMALL ROTATOR CUFF TEARS | Moderators: Pascal Boileau, MD & Robert Tashjian, MD |
| 07:30 Interscapular Tears: PRP Injections Do Not Improve Tendon Healing or Clinical Scores | Alexandre Liddermann, MD |
| 07:37 Arthroscopic Repair of Partial Thickness Rotator Cuff Tears Using a Resorbable Collagen Patch: What Role for a Biological Approach? | Chris Chuiard, MD |
| 07:44 Small Nontraumatic Supraspinatus Tears in Patients Older than 55 years: Operative Treatment is No Better than Conservative Treatment | Ville Aärräma, MD, PhD |
| 07:51 Ask the Experts Interactive Case Presentations / Discussion + Audience VOTE (7') | |
| II- ROTATOR CUFF DEGENERATION & FATTY INFILTRATION | Moderators: Nicolas Bonnevalle, MD & Matt T. Provencher, MD |
| 07:58 Degenerative Rotator Cuff Tears: Refining Surgical Indications Based on the Natural History | Jay D. Keener, MD |
| 08:05 Can Supraspinatus Atrophy & Fatty Infiltration Be Stopped after Rotator Cuff Repair? | Karl Wieser, MD |
| 08:12 Advancing Rotator Cuff Healing with a Bioabsorbable Interposition Scaffold: a Sheep Model | Robert Tashjian, MD |
| 08:19 Ask the Experts Interactive Case Presentations / Discussion + Audience VOTE (7') | |
| III- ROTATOR CUFF TENDON DELAMINATION | Moderators: Philippe Valenti, MD & Jay D Keener, MD |
| 08:26 Location and Thickness of Delaminated Rotator Cuff Tears: Does it have a Surgical Impact | Hiroaki Sugaya, MD |
| 08:33 Double-Layer Rotator Cuff Repair: Rationale, Technique & Results | Olivier Van Der Meijden, MD, PhD & Pascal Boileau, MD |
| 08:40 Prediction of Shoulder Stiffness After Arthroscopic Rotator Cuff Repair | Markus Scheibel, MD |
| 08:47 Ask the Experts Interactive Case Presentations / Discussion + Audience VOTE (7') | |
| IV- SUBSCAPULARIS TEARS & REPAIR | Moderator: Joaquin Sanchez-Sotelo, MD PhD |
| 08:55 The Histologic Structure of the Subscapularis Tendon Insertion Revisited: Clinical Relevance | Laurent Nové-Josserand, MD |
| 09:02 Arthroscopic Subscapularis Repair: Technical Pearls & Results | Laurent Lafosse, MD |
| 09:09 Arthroscopic Repair of Isolated Subscapularis Tears: Long-Term Outcome & Structural Integrity | Hiroaki Sugaya, MD |
| 09:16 Ask the Experts Interactive Case Presentations / Discussion + Audience VOTE (7') | |
| V- TENDON TRANSFERS FOR IRREPARABLE SUBSCAPULARIS TEARS | Moderators: Laurent Lafosse, MD & Markus Scheibel, MD |
| 09:23 Pectoralis Major Transfer for Irreparable Subscapularis Tears: 20 Years FU: The Swiss Experience | Karl Wieser, MD |
| 09:30 Pectoralis Major Transfer: Long Term Results: The Austrian Experience | Philipp Moroder, MD, PhD |
| 09:37 Latissimus Dorsi For Irreparable Subscapularis Tears: Technique & Results | Philippe Valenti, MD |
| 09:44 Ask the Experts Interactive Case Presentations / Discussion + Audience VOTE (6') | |
| 09:50 Coffee Break - Refreshments / Exhibits (20') | |
| VI- ROTATOR CUFF RE-TEARS: SHOULD WE REPAIR AGAIN ? | Moderator: Philippe Valenti, MD |
| 10:10 Superior Glenoid Inclination and Acromial Morphology : Do they Play a Role in the Etiology of Rotator Cuff Tears ? | Peter N. Chalmers, MD |
| 10:17 Revision Cuff Repair: Does the Tendons Have a Second Chance to Heal? | Michel Azar, MD |
| 10:24 Recurrent Anterior Instability in Patients with Massive Irreparable Cuff Tear: The role of the Arthroscopic Triflat Procedure | Pascal Boileau, MD |
| 10:31 Ask the Experts Interactive Case Presentations / Discussion + Audience VOTE (7') | |
| VII- SHOULDER "PSEUDOPARALYSIS" vs. "PSEUDOPARESIS": REVISITED DEFINITIONS | Moderators: Pascal Boileau, MD & Jon J.P. Warner, MD |
| 10:38 Shoulder Pseudoparalysis: Variable Definitions. Can we get a Consensus? | John M. Tokish, MD |
| 10:45 How Best to Define Pseudoparalysis of the Shoulder: Lack of Agreement among Shoulder Surgeons | Rish Dalany, MD FRCS |
| 10:52 Chronic Pseudoparalysis & Pseudoparesis are Associated with Different Structural Lesions | Karl Wieser, MD |
| 10:59 Ask the Experts Interactive Case Presentations / Discussion + Audience VOTE (7') | |
| VIII- MASSIVE ROTATOR CUFF TEARS: SHOULD WE REPAIR? | Moderators: Jean Kany, MD & George Athwal, MD FRCS(C) |
| 11:06 Is There a Role for Biologically Enhanced Patch Augmentation Repairs? | Matthew T. Provencher, MD |
| 11:13 Arthroscopic Partial Repair vs Latissimus Dorsi Tendon Transfer for Massive Irreparable Cuff Tears | Nicolas Bonnevalle, MD, PhD |
| 11:20 The Overstretched Biceps Tenodesis As a Cause of Persistent Postoperative Shoulder Pain | Gregory Micicci, MD & P. Chalmers, MD |
| 11:27 Ask the Experts Interactive Case Presentations / Discussion + Audience VOTE (7') | |
| IX- TENDON TRANSFERS FOR IRREPARABLE POSTEROSUPERIOR CUFF TEARS | Moderator: JD Wirthel, MD & Emilio Calvo, MD |
| 11:34 Results after Arthroscopically-Assisted Latissimus Dorsi Transfer: Can We Improve? | Jean Kany, MD |
| 11:41 Arthroscopic Latissimus Dorsi Transfer for Irreparable Posterosuperior Cuff Tears | Laurent Lafosse, MD |
| 11:48 Lower Trapezium Transfer with Simultaneous Tendon Augmentation to Reconstruct Massive Irreparable Posterior Superior RCTs | Philippe Valenti, MD |
| 11:55 Ask the Experts Interactive Case Presentations / Discussion + Audience VOTE (7') | |
| X- SUPERIOR CAPSULAR RECONSTRUCTION (SCR) | Moderators: Jon JP Warner, MD & Markus Scheibel, MD |
| 12:02 Arthroscopic SCR using Fascia Lata Grafts with and without Polypropylene Mesh Augmentation | In Ho Jeon, MD, PhD |
| 12:09 Superior Capsular Reconstruction for Irreparable Rotator Cuff Tears: Autografts versus Allografts | Joanes Barth, MD |
| 12:16 Superior Capsular Reconstruction for Massive Rotator Cuff Tears: A Critical Analysis Review | Joseph Galvin, MD |
| 12:23 Ask the Experts Interactive Case Presentations / Discussion + Audience VOTE (7') | |
| 12:30 Luncheon / Coffee / Visit Exhibits (60') | |
| 12:30-13:30 INDUSTRY LUNCHEON WORKSHOPS | |
| Directors: Jean-Luc Raynier, MD & Vincent Lavoue MD | |
| Rotator Cuff Reconstruction | |
| 12:30 LIVE STATISTIC WORKSHOP FOR SURGEONS | |
| Director: Mikael Chelli, MD | |
| Instructors: Mikael Chelli MD, Prithvee Jetton, MD, Olivier Dhallander, MD | |
| 12:30 ULTRASOUND WORKSHOP FOR SURGEONS | |
| Directors: Olivier Andréani, MD & Kevin Kruss, MD, Hicham Elhor MD | |
| "How to perform sonography of the shoulder: Make it easy for me!" | |
| Instructor: Kevin Kruss, MD | |
| "How to Perform US guided injections" | |
| Instructor: Olivier Andréani, MD | |
| Practical Workshops with US machines | |
| Instructors: O. Andréani, MD, Kevin Kruss, MD, Hicham Elhor, MD | |
| XI- PROXIMAL HUMERUS FRACTURES | |
| Moderators: Nicolas Bonnevalle, MD & J. Sanchez-Sotelo, MD | |
| 13:30 Complications and Long-Term Outcomes of Open Reduction and Plate Fixation of PHFs | Michael Robinson, MD, FRCS |
| 13:37 The "Tremble Triad" After Proximal Humerus Fracture Plating | Gabriel Cardenas, MD & Pascal Boileau, MD |
| 13:44 Third Generation IM Nail: Rationale & Technique | Pascal Boileau, MD |
| 13:51 Arthroscopic intramedullary nailing of humeral fractures through the rotator interval | Philippe Clavert, MD |
| 13:58 RSA with Alternative Distal Interlocking Humeral Fixation: Clinical & Radiological Results | Uma Srikrumaran MD |
| 14:05 Ask the Experts Interactive Case Presentations / Discussion + Audience VOTE (7') | |
| XII- WHAT'S NEW FOR PATIENTS WITH DELTOID DYSFUNCTION? | |
| Moderators: Philippe Valenti, MD & John M. Tokish, MD | |
| 14:12 RSA with Pedicled Pectoralis Transfer in Patients with Deltoïd Paralysis | Bassam Elhassan, MD |
| 14:19 All Endoscopic Brachial Plexus Neurolytic Indications, Technique, Results & Complications | Thibault Lafosse, MD |
| 14:26 Partial Radial Nerve to Axillary Nerve Transfer to Improve Shoulder Function | Tyler Johnston, MD & Ranjan Gupta, MD |
| 14:33 Ask the Experts Interactive Case Presentations / Discussion + Audience VOTE (7') | |
| 14:40 Coffee - Exhibits (20') | |
| LIVE & RE-LIVE SURGERIES | |
| Director: Sylvain Telsier | |
| 15:00 RE-LIVE SURGERY #5 : RSA for Displaced 4-Part Fracture | |
| Surgeon: Pascal Boileau, MD | |
| Moderators: Nicolas Bonnevalle MD & John Sperling, MD | |
| 15:30 RE-LIVE SURGERY #6 : Arthroscopic Cuff Repair with Scaffold | |
| Surgeon: Markus Scheibel MD | |
| Moderators: Matt Provencher MD, Thibault Lafosse MD & Jay Keener, MD | |
| 16:00 LIVE SURGERY: Latissimus Dorsi Transfer & Reverse Shoulder Arthroplasty for a CLEER Patient | |
| Surgeon: Pascal Boileau MD | |
| Moderators: Philippe Valenti MD, Jon JP Warner MD, | |
| 17:00 RE-LIVE SURGERY #7 : How I perform a RSA for Cuff Tear Arthritis | |
| Surgeon: Mark Frankie, MD | |
| Moderators: George Athwal MD FRCS(C) & David Dines, MD | |
| 17:30 RE-LIVE SURGERY #8 : Allograft Reconstruction & RSA for Severe Proximal Humeral Bone Loss: The Mayo Technique | |
| Surgeon: Joaquin Sanchez-Sotelo, MD, PhD | |
| Moderators: Chris Chuiard, MD & François Simeaux, MD | |
| 18:00 End of Session | |
